Dear Mr. Morris:

In accordance with California's Digital Infrastructure and Video Competition Act ("DIVCA"), General Order 169 and the Decision 14-08-057 Amending General Order 169 to Implement the Franchise Renewal Provisions of the Digital Infrastructure and Video Competition Act of 2006, Falcon Cable Systems Company II, L.P. hereby submits the enclosed state video franchise renewal application and supplemental data for the above-referenced franchisee.

Supplemental documents included with the application are:

1. Attachment A - List of Principal Officers for Time Warner Cable Pacific West LLC
2. Attachment B - Signed Affidavit
3. List of Franchise Areas
 - a. On the Commission's Microsoft Excel template; and
 - b. Microsoft Word format
4. Franchise area shapefiles
5. Renewal application fee in the amount of \$2,000

A fully executable bond is on file with the Commission. Socioeconomic data is not included here as that information was previously submitted on April 28, 2017 as part of the annual Digital Infrastructure and Video Competition Act ("DIVCA") report. As stated in the affidavit to this renewal application, Charter is not in violation of any final non-appealable court order issued pursuant to DIVCA.

Copies of this application are also being sent to the appropriate local franchising authorities and the Office of Ratepayer Advocates.

This application demonstrates that Charter meets the criteria for a 10-year renewal of its video franchise under DIVCA, specifically Public Utilities Code Section 5850. Accordingly, Charter respectfully requests
