INTRODUCTION

On June 13, 2023, I was assigned to investigate the operations and practices of Arjuna Transportation LLC, doing business as (DBA) True Elegance Limo, TCP 30133 A (hereinafter referred as True Elegance), due to a complaint from Sacramento International Airport (SMF) alleging that True Elegance continued to operate at SMF without an active SMF airport permit, despite multiple warnings and citations issued by SMF.

VIOLATIONS

- **Operated at an airport without an airport authority and failure to follow airport rules and regulations, in violation of Pub. Util. Code Section 5371.4(b) and G.O. 157-E, Part 3.02. [3 counts]**

SMF Airport Operations Officer Gary North issued True Elegance its first citation on July 22, 2021, for not having a permit to operate at SMF. Officer North issued True Elegance another citation for the same on April 26, 2023, and July 6, 2023 [**Attachment 1**]. My investigation disclosed that True Elegance operated a total of seven days and conducted 19 trips without an airport permit [**Attachment 2**]. License Plate Reader (LPR) activity provided by the Sacramento County Department of Airports (SCDA) shows six vehicles, registered and active under True Elegance's TCP Equipment List, and the days they were recorded on airport premises [**Table 1**].
