# Transportation Network Company (TNC) Access for All Program Outreach Workshop

Wednesday, June 21, 2023

9:30 AM to 12:00 PM

## Workshop Overview

The California Public Utilities Commission created the TNC Access for All Program to implement Senate Bill (SB) 1376 (Hill: 2018) which directed the Commission to establish a program relating to accessibility for persons with disabilities, including wheelchair users who need a wheelchair accessible vehicle (WAV). Commission Decision D.23-02-024 authorized Commission Staff to hold a workshop to provide opportunity for stakeholders to provide feedback on the TNCs' outreach on the Access for All program. This workshop will address the quality and effectiveness of TNC's current engagement efforts and will explore steps to further improve engagement with the disability community. TNCs will also present their draft 2023 Outreach Plans.
