

Putting it all Together

November 2, 2023

3:00 p.m. – 5:00 p.m. PT

Hosted by the Energy Division of the California Public Utilities Commission

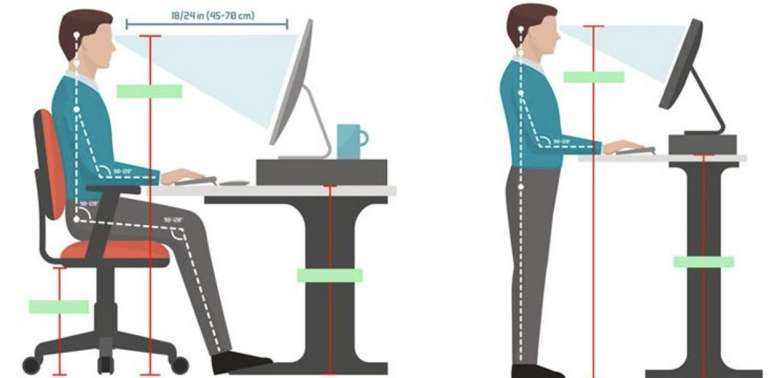

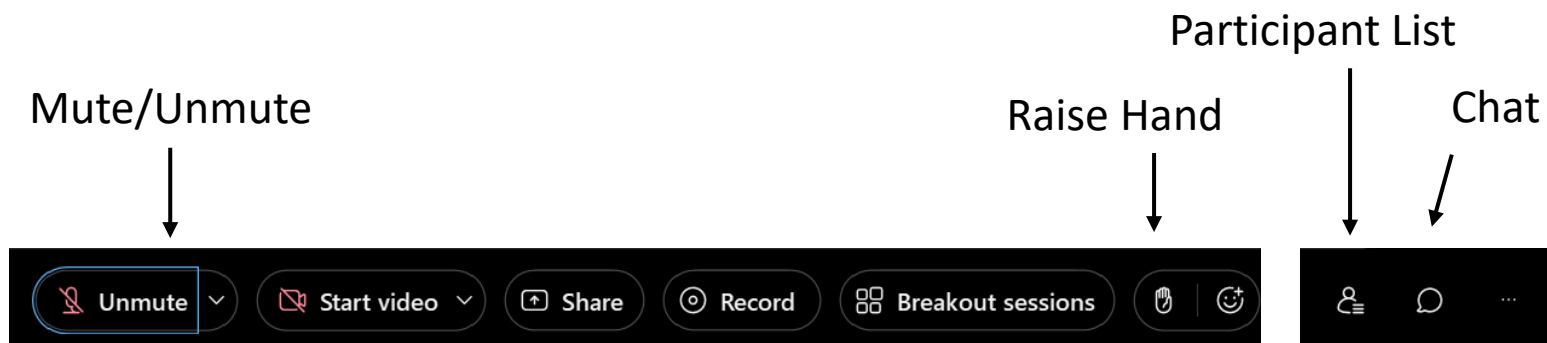

With support from the California Energy Commission

California Public
Utilities Commission

Logistics

- Presentation will be uploaded onto [DR Workshops](#) website at a later time.
- All attendees are muted upon entry. Please stay muted unless you are speaking. Only one person should be speaking at a time.
- Please “raise your hand” if you would like to speak or use the chat.
- Safety: (1) Note surroundings & emergency exits, (2) Ergonomic check, (3) In case of emergency, call 9-1-1.
- Refrain from discussing any other proceedings in case Commissioners are present to avoid inadvertent ex-partes.

Bi-Weekly Schedule through November

Workshop Schedule

Months	August		September		October		November	
	08/10	08/24	09/8	09/21	10/5	10/19	11/2	11/16

#	Topic	Time
1	Introductions, Logistics and Scheduling	3:00 PM – 3:10 PM
2	BAM/PAM Numerical Example	3:10 PM – 4:00 PM
-	5 Min Break	4:00 PM – 4:05 PM
3	Consistency with Slice of Day	4:05 PM – 4:20 PM
4	CSP Alternative Comments and Updates	4:20 PM – 4:45 PM
5	Next Steps and General Discussion	4:45 PM – 5:00 PM

Putting It All Together Pt. 1

BAM/PAM Numerical Example

California Public
Utilities Commission

**On Break
Resuming at 4:15**

Consistency with Slice of Day

Current proposals on penalty

California Public
Utilities Commission

Assessing Capacity Under SOD

- Average across the shown capacity hours and AAH for each month
 - Generates a monthly capacity value
 - Allows for resources that do not bid entire window

Order of Operations for Penalty Assessment

- Average requested capacity for hours within shown capacity hours/AAH window for single month
- Average demonstrated capacity in availability hour window
- Generate percent shortfall for window of availability hours for each month

CSP Alternative Comments

California Public
Utilities Commission

Comments Received

PG&E

- Provided input on various items, including the application of penalties and slice-of-Day
- Opposes CEC Alternative CSP proposals as being needlessly complicated

SDG&E

- Disagrees with CEC Alternative CSP Proposals
- Recommendations for testing protocols

CEDMC

- Opposes CEC Alternative CSP proposals as being needlessly complicated. Provides some options if adopted.
- Recommends further discussion on Takeback for an incentive-based

Next Steps

Proposals and Next Meeting

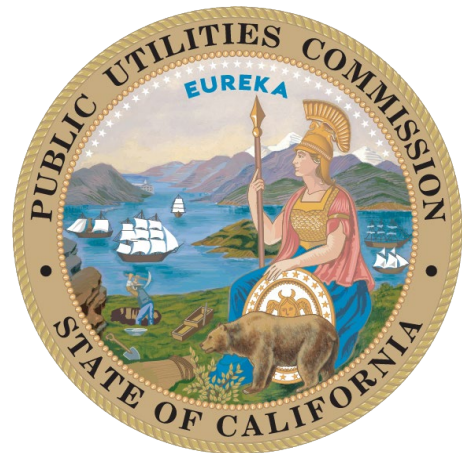

California Public
Utilities Commission

No Comments on Today's Meeting

- We will take comments after the next meeting discussing the CEC example

Format of Next Meeting – November 16th

- CEC Presentation on BNLI method
- Initial Thoughts on a Study Plan
- Broader discussion of Data Needs
- WG Going Forward
- Expectation is to have a written study plan before Christmas

California Public Utilities Commission

Thank you!
