

# Workshop Objectives & Discussion Guidelines

**Jean Spencer**  
*Regulatory Analyst*

**California Public Utilities Commission**

August 1, 2017

# Evacuation Procedures

- In the event of an emergency, please proceed out the two rear exits.
- Once outside the room, proceed left or right out of the building.

# Agenda

9:30-9:45	Introduction
9:45-10:00	Workshop Objectives and Discussion Guidelines
10:00-11:30	Production Cost Modeling
11:30-12:30	Lunch
12:30-2:00	Hydraulic Modeling
2:00-2:15	Break
2:15-3:15	Economic Modeling
3:15-3:45	Discussion of “Parking Lot” Issues
3:45-4:00	Wrap-Up

# Workshop Format

- Description of model
  - Clarification questions
- Overview of scenarios and assumptions
- Overview of trends from the comments
- Discussion of proposed scenarios and assumptions

# Workshop Objectives

- Information sharing:
  - Present information about models and proposed scenarios and assumptions;
  - Solicit feedback on scenarios and assumptions; and
  - Promote open, informal discussion

# Workshop Scope

- In scope:
  - Discussion of modeling scenarios and assumptions.
- Out of scope:
  - Issues addressed in other proceedings or by other agencies.
  - For information about other Aliso-related issues, see <http://www.cpuc.ca.gov/aliso/>

# Next Steps

- Energy Division will revise the Scenarios Framework, and there will be another round of comments
- The consultants will be present at the second workshop to ensure that proposals are technically feasible.
- After the second workshop, a third draft will be released, followed by another round of comments.
- If necessary, a third workshop will be scheduled.

# CPUC Guiding Principles

Ensure safe, reliable utility service and infrastructure at just and reasonable rates, with a commitment to environmental enhancement and a healthy California economy.

Safe

Reliable

Just &  
Reasonable  
Rates

Environmentally  
Responsible

# Discussion Etiquette

- If you would like to speak, line up at a mic.
  - No more than three people at each mic.
- Please wait to speak until the facilitator indicates that it is your turn.
- If a comment does not fit in the current discussion, it will be placed in a “parking lot” to be discussed later in the workshop.

# Discussion Etiquette (cont.)

- Be respectful
- Be courteous
- Stay on topic

**Thank you!**
