Subject: New Incident E20191101-02 Contra Costa

At approximately 1551 hours on October 27, 2019, a fire was reported near Alhambra Ave and Forest Way in Martinez. On November 1, 2019, PG&E learned through Media reports that Cal Fire determined the cause of this fire to be attributable to PG&E's electric facilities. The incident location is not in Tier 3, Tier 2, or Tier 1 High Hazard Zone High Fire Threat District. PG&E is reporting this incident under the Media Criterion. This information is preliminary.
